

**DOMAINE LES DEUX TERRES**  
(Ardèche, Provence)

January 2026

*With Manu (left) and Vincent in the outskirts of Valvignères in Ardèche*

In winter, when I am soaked to my skin with rain, I reach for the wines from Manu and Vincent of *Domaine les Deux Terres*. Their wines are great all year around, of course, but there is a comfort soothing feeling when I drink them during wintery nights. Perhaps, it is because *Domaine les Deux Terres* wines have the warmth of *Provence* sunshine. It feels as though I am drinking sunshine when I open a bottle of Manu and Vincent's wines at our dinner table – with prices that won't hurt my wallet too hard.

It is hard to believe but it has been over ten years since our first shipment of *Domaine les Deux Terres* wines. *Domaine les Deux Terres* is located in *Valvignères* in *Ardèche*. It is in the northern part of *Provence*. *Valvignères* means literally "valley of vines". You can see a glimpse of contours of the *Valvignères* behind Manu and Vincent on the photo above. No other place in France is so exuberantly sunny than in *Ardèche*. *Provence* summer sky shines, somehow inexplicably, more luminescent than anywhere else in France. The locals have a perpetual smile and life feels a little more joyous. Well-made *Ardèche* wines are bottles of sunshine, almost like endorphin – a cure to what feels like long rainy winter days in our city.

### **ZIG ZAG 2022**

**SKU: 645507    SPECULATIVE    750ml    12 bottles/case**  
**\$27.46 Wholesale / \$36.00 Retail per bottle**

Deep dark colour from Syrah. When a customer requests a dark colour red, this is the one I often recommend. This wine is an equal blend of Syrah on clay-limestone and Grenache on basalt soils. Syrah brings structure and seriousness while Grenache brings sultriness and ease – a great combination. *Provence* sunshine in a bottle. Joyous. Generous. This wine speaks so clearly where the vines are grown. This has the *Provençal* perfume of the *garrigues* – the wild herbs that grow everywhere in *Ardèche*. Each varietal is fermented separately and blended into neutral barrels.

### **VIN NU ROUGE 2022**

**SKU: 554972    SPECULATIVE    750ml    12 bottles/case**  
**\$ 26.50 Wholesale / \$34.00 Retail per bottle**

Don't let the fun label fool you; it is a seriously delicious wine. A hint of raspberries with a mineral undertow. Perfumed with all that magical fragrance of *Provence*. Silky texture from Grenache shining through. What an easy-going but textured red! This is all Grenache, an equal blend from the vines of basalt and clay-limestone terroirs. A secret of freshness may lie in the high-altitude basalt terroir brings acidity and perfume, whereas clay-limestone terroir adds spices and structure. Best slightly chilled.

### L'ADRET 2022

**SKU: 428309 SPECULATIVE 750ml 12 bottles/case**  
**\$ 29.31 Wholesale / \$38.00 Retail per bottle**

Perhaps, the most romantic white French varietal. It is 100% *Viognier*. Pretty. Fragile. Acacia-honeysuckle nose. It is 100% *Viognier*. *Viognier* is a high-maintenance varietal - typical French. *Viognier* vines do not like too hot or too cold, and must be planted on a stony hill with a view – which is exactly where the *Domaine les Deux Terres Viognier* vines are planted. In some vintages, it takes some time to settle as is the case for this one. *Viognier*, of course, is the only appellation-allowed varietal in *Condrieu* – a tiny plot in the northern Rhône. Finding a great *Condrieu* is difficult and costly. Every time I see a *Viognier* on a wine list in Paris wine bars and restaurants, I order a bottle to seek one out to import. After all these years, this wine is the only *Viognier* that we have in our portfolio.

### LA REBOULE 2021

**SKU: 662445 SPECULATIVE 750ml 12 bottles/case**  
**\$25.06 Wholesale / \$33.00 Retail per bottle**

Delicious and not-so-common blend of Grenache, Cabernet Sauvignon, and Merlot. When Manu & Vincent of Deux Terres started making this blend, there were many versions. During the last day of harvest, the various versions of bottles from the previous vintage were silently put on the dinner tables. The bottle that drank the most by the harvesters is the one that was made into the final blend. Maceration is kept short, which makes this wine lively. Summer fruits and spices. *La Reboule* means "harvest celebration". It is a big party after last day of a harvest at the domain with harvesters and *vignerons*. This wine is dedicated to the harvesters at the domain.

### RIPAILLE 2022

**SKU: 589879 SPECULATIVE 750ml 12 bottles/case**  
**\$25.78 Wholesale / \$34.00 Retail per bottle**

This wine is made from the old vines of 100% Carignan. Exotic spices really bring compelling taste to this cuvée. Light on its feet while carrying the complexity of old vines. It is a treat to drink a wine made from 100% Carignan, as I do not see pure Carignan very often. This wine rests for about a year in neutral barrels to settle down. *Ripaille* means to enjoy foods and drinks in abundance. The feeling of *Ripaille* is depicted on the label.
